

DON'T WORRY!

Theme: Don't worry: God provides for our needs

Scriptures: Matthew 6:31-33

Prop: A dollar bill

Today we're going to talk about one of my favorite subjects... (*Hold dollar between your hands and snap it a couple of times.*) money! Do you like money? When you have money, what do you do with it? Do you save it or spend it? What kind of things do you buy with it?

You must have heard people talk about how bad the economy is, right? It seems like every time you turn on the television they're talking about how bad the economy is. Well, when they talk about the economy, do you know what they're talking about? Money! (*Snap dollar a couple of times.*) People are worried they won't have enough money. Money to put gas in the car, money to pay for the house, money to buy food and clothes. People are worried about not having the things money buys.

But Jesus told us not to worry about things like that. In Matthew 6:31 he says, "Do not worry, saying, 'What shall we eat?' or 'What shall we wear?'... Your heavenly Father knows that you need them."

And then he tells us what we should think about instead. "But seek first his kingdom and his righteousness and all these things will be given you."

So Jesus says not to worry about food and clothing and all the things money buys. He said if we put God first he'll make sure we have all the things we need. It doesn't necessarily mean he'll give us everything we want. But he promises to make sure we have everything we need.

I think that's something we should pray about: Father God, thank you for taking care of us and providing for all our needs. Please help us not to worry about money and the things that money buys. Help us instead to focus on you and your kingdom and your righteousness. We thank you in Jesus' precious name. Amen.

Note: When I gave this message I was able to find coins at my local Christian book store that had Bible verses on them. They were inexpensive reminders I could give to each of the children.

Song: "Seek Ye First" or "Trust and Obey"
